Hackathon demo flow

1 Today chat: “I played tennis for an hour”

2 AI drafts tennis session, user confirms (no auto-save)

3 Session saved: XP, streak, kcal range with AI label

4 Pet reacts, energy up; rest days never penalised

5 Rewards: weekly quests, unlock cosmetics with XP

6 Match invite: private expiring link, revocable

7 Book a court, invite friends

8 Plus: AI coach; history stays on cancel

Demo vs roadmap: Health Connect, calendar and Plus billing are mocked and labelled as planned.
